

Appln No. 10/712,278
Amdt date June 2,2006

REMARKS/ARGUMENTS

An error was made in the Amendment of the Specification of December 29, 2005, the reference to co-pending U.S. Patent Application Serial No. 10/712,278 is incorrect, that, in fact, is the U.S. Patent Application Serial No. of the present application.. With this Amendment to the specification of December 29, 2005, that error has been corrected and the correct co-pending U.S. Patent Application No. of 10/705,338 has been inserted.

The present application is no longer related to co-pending application entitled DISPLAY PACKAGE AND SHIPPING SYSTEM, U.S. Patent Application Serial No. 10/705,338 filed November 10, 2000 because that application was abandoned on February 24,2006.

Respectfully submitted,
